**Please Note:** Rugs and Runners over 4 metres in length (maximum 7 metres) and less than 2 metres in width will be subject to a 25% surcharge.

### How to Calculate the Price of a Custom Made Rug:

Calculate the area of the broadloom to be used in square metres. Calculate the length of the Border(s) required (perimeter of rug), in linear metres. Add the two amounts together to find the rug price.

### Example

You require a 2.45 m x 1.5 m rug in Sisal Small Boucle Classics with a Cotton Herringbone border.

### Firstly price the Broadloom:

2.45 m x 1.50 m = 3.68 sq m. of Sisal Small Boucle Classics @ £34.95 per sq m. = £128.62

### Then price the Border:

2 sides @ 2.45 m plus 2 sides @ 1.5 m = 7.9 linear metres @ £15.90 per metre = £125.61

### Total price of the Rug:

Broadloom @ £128.62 plus Border @ £125.61 TOTAL PRICE = £254.23
